

When Traditional Treatments Aren't Enough

Discover a different approach

NOW OFFERING **NAET**
AT SOUTHWEST REHAB

WHAT IS NAET?

A gentle approach designed to support the body's ability to reduce sensitivity responses to foods, environmental triggers, and other substances.

NAET—Nambudripad's Allergy Elimination Techniques

ARE ALLERGIES OR SENSITIVITIES

Affecting Your Daily Life?

NAET may be beneficial for individuals experiencing:

Seasonal Allergies

Fatigue

Food Sensitivities

Skin Irritation

Sinus Problems

Brain Fog

Digestive Issues

Alpha-Gal Syndrome

Headaches

...and more!

*Natural
Gentle
Effective*

Gentle, individualized treatments designed around your specific sensitivities. NAET aims to help **restore balance** and improve the body's response to common triggers.

Ready to take the next step?

Schedule your NAET evaluation today!

Let's help you get back to feeling like YOU!
